MEDICAL DEPARTMENT.

Notice dated 13th July 1917.

Applications are invited from local Indian lady candidates desirous of undergoing training as sick-nurses, midwives, Sub-Assistant Surgeons, and for University Degrees in Medicine and Surgery. Applicants should not be below 18 years or above 25 years of age and should have a good knowledge of Kannada. They should also be physically fit for the medical profession and should bear a good moral character. Particulars regarding the courses of training, the facilities offered during training and the prospects available after training, are given below.

Sick-nursing and Midwifery.—Candidates should know to read and write Kannada well. Those who possess a knowledge of English also will be preferred. The course of training extends to two years and is given either at the Maternity Hospital (for 12 months) and the Victoria Hospital (for 12 months) in Bangalore, or at the Vani Vilas Hospital (for 12 months) and the General Hospital (for 12 months) in Mysore. Selected candidates will be given scholarships at Rs. 10 a month and quarters in the Hospital premises during training. After qualifying, they will be appointed to vacancies in the department, on a uniform pay of Rs. 20-1-30, with the privilege of private practice in the case of midwives and ration and uniform allowance in the case of Nurses attached to Medical Institutions.

Sub-Assistant Surgeon's Course.—Extends over a period of four years and will be given in the Medical School, Victoria Hospital, Bangalore. It is open to candidates with School Final or Matric. qualification. Selected candidates will be given scholarships at the rate of Rs. 15 a month, in addition to cost of books, instruments and school fees and examination fees. After qualifying, they will be eligible for employment in the State Service as Sub-Assistant Surgeons, on a starting pay of Rs. 30 rising to Rs. 40, 50, 60, 70 and 80, under the rules regulating promotions in that grade, with a special allowance of Rs. 10 throughout.

Medical Degrees.—Candidates wishing to qualify for the L.M. & S., or the M.B., B.S. Degree will be given scholarships tenable in the Medical Colleges at Madras, Bombay and Calcutta and in the Lady Hardinge's Medical College for Women at Delhi. The course of training at Madras, Bombay and Calcutta extends to five years and is open to candidates possessing the qualification of Intermediate Examination in Arts. At the Delhi College the course extends to seven years and admission is given to candidates who have passed the School Final or the Matriculation Examination. The usual rate of scholarships given to (male) candidates during training is Rs. 25 per month. Special higher rates will be allowed to deserving lady applicants. They will also be allowed the cost of books and instruments and travelling allowance (single third class fair, to and from). After qualifying, they will be eligible for appointment in the State Medical Service as Assistant Surgeons (Assistant Lady Medical Officers) on a pay of Rs. 100 rising to Rs. 300 or 400 according to rules regulating promotions in that grade, in addition to a special allowance of Rs. 30. They will also be promoted in due course to the grade of Lady Medical Officer (Surgeon) with pay ranging from Rs. 400 to Rs. 600, or more with a special allowance of Rs. 50.

CHIEF COURT OF MYSORE.

Notice dated 10th August 1917.

Sealed tenders are invited for printing the records of the Chief Court in selected cases. The tenders should be addressed to the Registrar and will be received up to the 25th of August 1917 on which date they will be opened by the Registrar in his office. Every tender must be accompanied by a deposit of Rs. 50. The successful tenderer will have to execute an agreement (in the form given below) in favor of the Registrar binding himself to do the printing work at the accepted rate for a period of one year with effect from the 1st of September 1917.

The Registrar does not bind himself to accept the lowest or any tender, and may accept more than one tender.

The deposit of the successful tenderer or tenderers will be placed in the Mysore Government Savings Bank and the Pass Book should be deposited with the Registrar duly endorsed, while the deposits of the others will be returned.

Samples showing the quality of paper and style of printing required may be seen during office hours at the Registrar's Office up to the 20th of August.

FORM OF AGREEMENT.

EIGHT ANNAS STAMP PAPER

Agreement between the Registrar of the Chief Court of Mysore, Bangalore, hereinafter called the Registrar of the one part, and..... hereinafter called the proprietor of the other part.

* Of this amount about Rs. 25 lakhs have been expended on the grant of relief to men returned from the front proceeding on sick leave to their homes. This concession has since been withdrawn.

The proprietor agrees to print all the records of cases which may be sent to him for that purpose by the Registrar, for a period of one year beginning from the 1st September 1917 at the following rates which include the cost of paper:

- As: per page (foolscap).
 As: per page of tabular statement (foolscap).
 As: per facing sheet (foolscap).

The printing shall be done on durable white paper of foolscap size, in clear type, expeditiously and correctly, and in all respects to the satisfaction of the Registrar.

The Registrar shall have power to fix the time within which each or any piece of work is to be completed and returned to him, to reject bad work, to reduce in his discretion the rate for any particular piece or pieces of work which may in his opinion be unduly delayed or of inferior quality and to cancel the contract at any time if, after warning, the work is found to be unsatisfactory.

All disputes which the parties cannot settle by agreement shall be referred to the Chief Judge whose decision shall be final.

N. T. GOPALIENGAR,
Registrar.

CHIEF COMMANDANT'S OFFICE.

Notice dated 10th August 1917.

Sealed tenders for the supply of good and dry ragi and paddy straw required for the horses, etc., at the Kunigal Stud Farm will be received up to 2 P.M., on 31st August 1917, in the Office of the Chief Commandant, Mysore State Troops, Cubbon Park, Bangalore.

Conditions.

1. About 400 tons of ragi straw, 50 tons of paddy straw and 35,000 seers of rice tour will be required for the Government Stud Farm at Kunigal. The ragi straw is to be supplied in 4 instalments at 100 tons per month, beginning from September 1917. The whole quantity of paddy straw should be supplied in one lot before the end of September 1917. Rice tour should be supplied according to the indents of the Superintendent.
2. Tenders should clearly state the rate per ton of ragi straw and paddy straw delivered on the premises of the Government Stud Farm, Kunigal.
3. Tenders should be accompanied by an earnest money of Rs. 100 which will be forfeited to Government, if the tenderer, whose tender is accepted fails to execute the agreement for the due fulfilment of the contract. If the tender is not accepted the amount will be refunded.
4. The successful tenderer will be required to execute an agreement for the due fulfilment of the contract and to deposit Rs. 500 within eight days from the date of the declaration of the acceptance of the tender.
5. It should be noted that the quantity of straw and rice tour shown above is only approximate and that either less or more than the stated quantity will be taken as required; and the contractor should supply the same at the accepted rate.
6. If it is found at any time that the ragi straw is not good, but is mixed with other stuff unsuitable for the horses of the Stud Farm, the same will be rejected by the Superintendent, Kunigal Stud Farm; and the contractor will be liable to forfeit the deposit amount.
7. The Chief Commandant reserves to himself the right of accepting or rejecting the rates tendered for any of the articles or all without assigning any reasons therefor.

J. DESARAJ URS, COLONEL,
Chief Commandant, Mysore State Troops.

KADUR DIVISION.

Dated 10th August 1917.

Notice is hereby given that sealed tenders will be received at the office of the Executive Engineer, Kadur Division, up to 31st August 1917 for restoring Mastikere Tank, Registered No. 1013 of Tarikere Taluk. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of August 1918.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Chikmagalur, between the hours of 11 A.M. and 5 P.M. on office days.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of rupees two hundred only in cash or Government Promissory Notes, as earnest money, and be superscribed "Tender for restoring Mastikere tank, Registered No. 1013 of Tarikere Taluk," in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Chief Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

1. The highest bidder shall ordinarily be the purchaser, but the officer conducting the sale can reject any bid or stop the sale at any stage without assigning any reason to the intending purchasers. Should any lot be disputed it shall be again put up and sold.

2. Each purchaser shall, immediately after a lot has been knocked down to him, pay Rs. 5 as earnest money, and sign his name opposite the number and specification of the lot bought by him, in a book provided for the purpose. Such payment and signature shall be held as admission on his part of having bought such lot and of having accepted the terms of sale as herein specified.

3. Immediately after the sale, each purchaser will be furnished with a memo showing the total amount due by him and with a chellan to pay immediately twenty-five per cent of such amount as a deposit into the Taluk Treasury at the place; a receipt for the deposit money will be granted by the Treasury Officer and must be presented to the Forest Officer at once. Should any purchaser fail to comply with this rule, the Forest Officer shall be at liberty to resell all or any portion of the timber purchased by such defaulter, who shall be required to make good any loss, but shall not participate in any profit on such resale. The amount due by such defaulter shall be recovered from him as a revenue demand.

Note.—For the convenience of the purchasers, the quarter deposit or the whole of the sale amount will be received and acknowledged by the officer conducting the sale, if tendered on the spot at the time of sale.

4. The whole quantity purchased by each purchaser must be paid for within thirty days of sale, failing which, the earnest and deposit moneys already paid in shall be forfeited to Government and the timber not paid for shall be resold. Moneys due may be paid into the treasury of the taluk in which the depot is situated or into the District Treasury, but into

(c) The present contract is for the period ending with 30th June 1918, from the date of acceptance of tender.

(d) The minimum quantities to be carted to Depots by the contractor will be as follows:—

One-third of the contracted quantity by the end of December.

One-third of the contracted quantity by the end of February.

And the remaining one-third by the end of May. Failure on the part of the contractor to cart the timber as noted above entails the forfeiture of the whole or such portion of the security as the District Forest Officer may deem fit. If the carting work of the contractor is slack, and that in the opinion of the District Forest Officer, the contractor is not likely to discharge his obligations, the District Forest Officer will at once cancel the contract, forfeit the security, and will make other arrangements for the carting of timber.

- (e) No timber should be removed from the forest without obtaining a pass-port from the Range Officer or such Forester nominated by the Range Officer.
- (f) All timber, for which pass-ports have been obtained, should be delivered in the Depot, at the latest, within three months of the issue of such passes. Any timber not reaching the Depot within the above period will be treated as lost, and the value thereof will be recovered at Depot rates from the contractor from the amount of the next bill due to him.
- (g) For timbers received in the Depot without pass-ports, no cart hire will be paid and the contractor is further liable for prosecution under the provisions of the Forest Regulation.
- (h) In the matter of consigning different kinds of timber from time to time, the contractor shall abide by the instructions of the Range Officer.
- (i) The Range Officer at the beginning of each period mentioned in Clause C will inform, in writing the contractor, the quantity of timber available for carting.
- (j) The contractor shall abide by the rules of the department as regards kindling of fires and hold himself responsible for any offence committed by him or his agent, employees or cart men.
- (k) The security furnished will be returned to the contractor three months after the enquiry of the contract period if the whole or any portion of which is not forfeited to Government by the violation of any of the terms of the contract as also satisfying that no timber is outstanding against the contractor.

CHIEF COURT OF MYSORE.

Notice dated 10th August 1917.

Sealed tenders are invited for printing the records of the Chief Court in selected cases. The tenders should be addressed to the Registrar and will be received up to the 25th of August 1917 on which date they will be opened by the Registrar in his office. Every tender must be accompanied by a deposit of Rs. 50. The successful tenderer will have to execute an agreement (in the form given below) in favor of the Registrar binding himself to do the printing work at the accepted rate for a period of one year with effect from the 1st of September 1917.

The Registrar does not bind himself to accept the lowest or any tender, and may accept more than one tender.

The deposit of the successful tenderer or tenderers will be placed in the Mysore Government Savings Bank and the Pass Book should be deposited with the Registrar duly endorsed, while the deposits of the others will be returned.

Samples showing the quality of paper and style of printing required may be seen during office hours at the Registrar's Office up to the 20th of August.

FORM OF AGREEMENT.

EIGHT ANNAS STAMP PAPER.

Agreement between the Registrar of the Chief Court of Mysore, Bangalore, hereinafter called the Registrar of the one part, and..... hereinafter called the proprietor of the other part

The proprietor agrees to print all the records of cases which may be sent to him for that purpose by the Registrar, for a period of one year beginning from the 1st September 1917 at the following rates which include the cost of paper :

As : per page (foolscap).

As : per page of tabular statement (foolscap).

As : per facing sheet (foolscap).

The printing shall be done on durable white paper of foolscap size, in clear type, expeditiously and correctly, and in all respects to the satisfaction of the Registrar.

The Registrar shall have power to fix the time within which each or any piece of work is to be completed and returned to him, to reject bad work, to reduce in his discretion the rate for any particular piece or pieces of work which may in his opinion be unduly delayed or of inferior quality and to cancel the contract at any time if, after warning, the work is found to be unsatisfactory.

All disputes which the parties cannot settle by agreement shall be referred to the Chief Judge whose decision shall be final.

N. T. GOPALIENGAR,
Registrar.

MYSORE GAME PRESERVES DEPARTMENT.

Notice dated 18th August 1917.

1. Sealed tenders will be received by the Officer in charge of Mysore Game Preserves, Bangalore, Camp, Chamrajnagar, till the 20th September 1917, for the opening of a Provision Shop either at Budipadaga or Doddegowdanpalya for the supply of the undermentioned provisions to the Khedda Shikaries and Government Officers and their staff on duty in the Khedda Camp.

2. An approximate estimate of the quantities of provisions required is given against each item in the list, (quantities are not guaranteed).

3. Tenters should be submitted in the following form, showing the rates at which the different kinds of provisions specified, will be supplied.

4. Each tender must be accompanied by a deposit of Rs. 200 in currency notes as earnest money and be superscribed "Tender for the opening of a Provision Shop at the Khedda Camp at Budipadaga or Doddegowdanapalya."

5. The final acceptance of the tender will rest with the Conservator of Forests in Mysore, who does not bind himself to accept the lowest or any tender or assign any reason whatsoever for rejection of any tender.

6. The successful tenderer will be required to execute a contract bond within 5 days of the acceptance of the tender and deposit Rs. 500 as security, in default of which, his tender will be considered cancelled and his earnest money forfeited.

7. The tenders will be opened by the Officer in charge of Mysore Game Preserves at the Mysore Game Preserves Office, Cola Lodge, Bangalore City, on the afternoon of the 25th September 1917.

8. The name of the successful tenderer whose tender has been accepted will be posted on the notice board of the Mysore Game Preserves Office, Cola Lodge, Bangalore City. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

9. The successful tenderer shall open the Provision Shop on the 20th October 1917, at the Khedda Camp, and maintain sufficient stock of provisions enumerated in the list and comply with all the indents made on him during the period of the contract. He will have to supply provisions to about 1,000 shikaries from the 25th October 1917, till the Khedda operations are over. He should get periodical supply of such provisions as would rot.

10. Provisions supplied if not found up to the standard in quality will be rejected and the contractor shall remove and replace the same with such provisions as would give satisfaction. If he fails to supply the required provisions or replace the rejected ones in time, the same will be purchased elsewhere and the difference in cost between the tendered rate and that at which the provisions are purchased will be debited to his account by recovery from the bill or bills that are due to him and only the balance will be paid.

11. The earnest money on the rejected tenders will be returned.

CHIEF COMMANDANT'S OFFICE.

Notice dated 10th August 1917.

Sealed tenders for the supply of good and dry ragi and paddy straw required for the horses, etc., at the Kunigal Stud Farm will be received up to 2 P.M., on 31st August 1917, in the Office of the Chief Commandant, Mysore State Troops, Cubbon Park, Bangalore.

Conditions.

1. About 400 tons of ragi straw, 50 tons of paddy straw and 35,000 seers of rice toûr will be required for the Government Stud Farm at Kunigal. The ragi straw is to be supplied in 4 instalments at 100 tons per month, beginning from September 1917. The whole quantity of paddy straw should be supplied in one lot before the end of September 1917. Rice toûr should be supplied according to the indent of the Superintendent.

2. Tenders should clearly state the rate per ton of ragi straw and paddy straw delivered on the premises of the Government Stud Farm, Kunigal.

3. Tenders should be accompanied by an earnest money of Rs. 100 which will be forfeited to Government, if the tenderer, whose tender is accepted fails to execute the agreement for the due fulfilment of the contract. If the tender is not accepted the amount will be refunded.

4. The successful tenderer will be required to execute an agreement for the due fulfilment of the contract and to deposit Rs. 500 within eight days from the date of the declaration of the acceptance of the tender.

5. It should be noted that the quantity of straw and rice toûr shown above is only approximate and that either less or more than the stated quantity will be taken as required; and the contractor should supply the same at the accepted rate.

6. If it is found at any time that the ragi straw is not good, but is mixed with other stuff unsuitable for the horses of the Stud Farm, the same will be rejected by the Superintendent, Kunigal Stud Farm; and the contractor will be liable to forfeit the deposit amount.

7. The Chief Commandant reserves to himself the right of accepting or rejecting the rates tendered for any of the articles or all without assigning any reasons therefor.

2. An approximate estimate of quantities required is given against each item in the list which quantities are not guaranteed. The quantities may be increased or diminished by 25 per cent.

3. Tenders should be submitted on their own forms accompanied by a list in the form given below showing the rates at which the different items specified in the list will be supplied. Only the 1st quality materials are to tendered.

4. Each tender must be accompanied by a deposit as noted in the list in currency notes or Government Promissory Notes as earnest money and be superscribed "Tenders for the supply of materials, required for use of the Electrical Department for the period October 1917 to December 1917," in default of which tenders will be rejected. Samples to be submitted clearly showing item number, supplier's name and price if required. These samples to be sent to the Office of the Chief Electrical Engineer, Bangalore, who will return those of the unsuccessful competitors, if desired.

5. The final acceptance of the tender will rest with the Chief Electrical Engineer, who does not bind himself to accept the lowest or any tender or assign any reason whatever for the rejection of any tender. The Chief Electrical Engineer reserves the right of awarding any part or portion of the supply to any tenderer.

6. After tenders are opened no change of rates under any circumstances will be allowed. They will be opened in public at 2 P.M. on the 18th September 1917.

7. Within four days of the acceptance of the tender, the successful competitors will be required to execute a contract bond, in default of which their tender will be considered cancelled and their earnest money will be forfeited.

8. The names of the successful competitors whose tenders have been accepted will be posted on the notice board in the Chief Electrical Engineer's Office in due course noting therein the articles awarded against each. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

9. On acceptance of the tenders, the earnest money on rejected tenders will be returned. The earnest money of the successful tenders will be returned when the whole supply is completed satisfactorily.

10. All the materials ordered should be delivered within ten days on receipt of order.

11. The rate tendered for each item shall include cost of delivery either at the stores of the Electrical Department or "F. O. R." Bangalore, and shall be binding on the supplier from the date of acceptance to the date the complete supply is made. No charges will be allowed for packing or carting.

12. Materials supplied found not to be up to standard in quality or to other cause, will be rejected and the supplier shall remove same and shall guarantee to replace same with fresh materials then and there. (All charges incurred on the rejected materials will be debited to the supplier.)

13. Should the successful competitor fail to supply the required material or replace the rejected material in time, the same will be purchased elsewhere and difference in cost between the rate tendered and that at which the material is purchased will be debited to his account.

14. Weights, quantities and quality of materials supplied as scaled and acknowledged by the receiving officer of the department, on supplier's invoices, to be accepted as final and no representations by the supplier of his weights, etc., being the correct ones will be considered.

15. Materials supplied different from that specified will be paid for if accepted on the basis of the articles specified in the original tender.

Abstract Notification.

Sealed tenders will be received at the office of the Chief Electrical Engineer to the Government of Mysore, Bangalore, up to 1st September 1917, for constructing two Upper Subordinates and two Lower subordinates' quarters at Sivasamudram. For further particulars please see details in page 697, Part IV of the *Mysore Gazette*, dated the 16th August 1917.

S. G. FORMES,
Chief Electrical Engineer to the
Government of Mysore.

WATER-SUPPLY DIVISION.

Notification dated 26th July 1917.

Notice is hereby given that sealed tenders will be received by the undersigned up to 12 noon of 1st November 1917, for the supply of pipes and pipe specials required for the use of laying out water-supply pipe line to the Chetnahalli Extension in Mysore.

2. An approximate estimate of the quantities required is given against each item in the list. These quantities are not guaranteed.

3. Tenders should be submitted in printed forms which may be obtained from the undersigned's office and accompanied by a list in the annexed form showing the rates at which the different items specified in the list will be supplied.

4. Each tender must be accompanied by a deposit of Rs. 1,000 either in cash or in currency notes as earnest money and be superscribed "Tenders for the supply of pipes and pipe specials for Chetnahalli Extension in Mysore."

5. The final acceptance of any tender will rest with the Government who do not bind themselves to accept the lowest or any tender or assign any reason whatsoever for the rejection of any tender.

6. The name of the successful competitor whose tender has been accepted will be posted on the notice board of the undersigned's office in the usual course and no enquiries regarding the acceptance or rejection of a tender will receive attention.

7. The rate tendered for each item shall include cost of delivery F. O. R. Mysore City and not ex-godown, and tenderers accepting delivery in sound condition F. O. R. Mysore City only shall receive consideration.

8. The competitor whose tender is accepted shall not rail the articles and post the Railway receipt advising the delivery at Mysore but on the other hand shall deliver the articles in sound condition personally to the authorised agent of the undersigned at Mysore; and articles damaged, broken or in any way defective shall not be accepted and the contractor is bound to replace such of the articles within a week from the date of rejection.

9. The successful competitor will be required to execute an agreement bond as per rules before the supply is made.

10. The supply in full must be completed within two weeks from the date of order placed with the successful tenderer, failing which, the unexecuted portion of the order will be cancelled and order placed elsewhere, and the earnest money deposited by the successful competitor will not only be forfeited as a penalty for the non-execution of order in full but shall make him liable for any extra cost that may be involved over the tendered rate on such materials.

1. The highest bidder shall ordinarily be the purchaser, but the officer conducting the sale can reject any bid or stop the sale at any stage without assigning any reason to the intending purchasers. Should any lot be disputed it shall be again put up and sold.

2. Each purchaser shall, immediately after a lot has been knocked down to him, pay as earnest money, a sum of rupees five and sign his name opposite the number and specification of the lot bought by him, in a book provided for the purpose. Such payment and signature shall be held as admission on his part of having bought such lot and of having accepted the terms of sale as herein specified.

3. Immediately after the sale, each purchaser will be furnished with a memo showing the total amount due by him and with a chellan to pay immediately twenty-five per cent of such amount as a deposit into the Taluk Treasury at the place, a receipt for the deposit money will be granted by the Treasury Officer and must be presented to the Forest Officer at once. Should any purchaser fail to comply with this rule, the Forest Officer shall be at liberty to resell all or any portion of the timber purchased by such defaulter, who shall be required to make good any loss, but shall not participate in any profit on such resale. The amount due by such defaulter shall be recovered from him as a revenue demand.

Note.—For the convenience of the purchasers the quarter deposit or the whole of the sale amount will be received and acknowledged by the officer conducting the sale, if tendered on the spot at the time of sale.

4. The whole quantity purchased by each purchaser must be paid for within thirty days of sale, failing which, the earnest and deposit moneys already paid in shall be forfeited to Government and the timber not paid for shall be resold. Moneys due may be paid into the treasury of the taluk in which the depot is situated or into the District Treasury, but into no other, except in cases where the purchasers are permitted to pay into any other Government Treasury in accordance with the chellans issued to them.

5. No timber shall be delivered to any purchaser until it has been paid for in full.

6. No timber can be removed from the depot till a permit to remove timber signed by the Forest Officer in charge of the depot shall have been obtained.

7. Timber paid for may be removed at any time within thirty days from the date of sale, or within such further period not exceeding ninety days from the date of sale as may be fixed by the Forest Officer as the circumstances of each case may require, without payment of rent, but if left in the depot longer than ninety days from date of sale, such timber will remain at the risk of the purchaser, and further shall be charged with depot rent at Rs. 6-4-0 per cent per annum, on the sale amount from the date of sale. If the timber be not removed within six months from the date of sale, the same shall, after ten days' notice to the purchaser, be sold by public auction for the recovery of rent and costs, etc.

8. Any complaint regarding short measurements, etc., will not be heeded after the removal of the logs from the depot.

9. Belated payments of purchase money will be charged with interest at $6\frac{1}{2}$ per cent per annum from the date of sale.

10. Defaulter's timber of previous sales will be re-sold at the risk of original purchaser in these sales.

The printing shall be done on durable white paper of foolscap size, in clear type, expeditiously and correctly, and in all respects to the satisfaction of the Registrar.

The Registrar shall have power to fix the time within which each or any piece of work is to be completed and returned to him, to reject bad work, to reduce in his discretion the rate for any particular piece or pieces of work which may in his opinion be unduly delayed or of inferior quality and to cancel the contract at any time if, after warning, the work is found to be unsatisfactory.

All disputes which the parties cannot settle by agreement shall be referred to the Chief Judge whose decision shall be final.

N. T. GOPALIENGAR,
Registrar.

MYSORE GAME PRESERVES DEPARTMENT.

Notice dated 18th August 1917.

1. Sealed tenders will be received by the Officer in charge of Mysore Game Preserves, Bangalore, Camp Chamrajnagar, till the 20th September 1917, for the opening of a Provision Shop either at Budipadaga or Doddegowdanpalya for the supply of the undermentioned provisions to the Khedda Shikaries and Government Officers and their staff on duty in the Khedda Camp.
2. An approximate estimate of the quantities of provisions required is given against each item in the list, (quantities are not guaranteed).
3. Tenders should be submitted in the following form, showing the rates at which the different kinds of provisions specified, will be supplied.
4. Each tender must be accompanied by a deposit of Rs. 200 in currency notes as earnest money and be superscribed "Tender for the opening of a Provision Shop at the Khedda Camp at Budipadaga or Doddegowdanapalya."
5. The final acceptance of the tender will rest with the Conservator of Forests in Mysore, who does not bind himself to accept the lowest or any tender or assign any reason whatsoever for rejection of any tender.
6. The successful tenderer will be required to execute a contract bond within 5 days of the acceptance of the tender and deposit Rs. 500 as security, in default of which, his tender will be considered cancelled and his earnest money forfeited.
7. The tenders will be opened by the Officer in charge of Mysore Game Preserves at the Mysore Game Preserves Office, Cola Lodge, Bangalore City, on the afternoon of the 25th September 1917.
8. The name of the successful tenderer whose tender has been accepted will be posted on the notice board of the Mysore Game Preserves Office, Cola Lodge, Bangalore City. No enquiries regarding the acceptance or rejection of a tender will receive any reply.
9. The successful tenderer shall open the Provision Shop on the 20th October 1917, at the Khedda Camp, and maintain sufficient stock of provisions enumerated in the list and comply with all the indents made on him during the period of the contract. He will have to supply provisions to about 1,000 shikaries from the 25th October 1917, till the Khedda operations are over. He should get periodical supply of such provisions as would rot.

10. Provisions supplied if not found up to the standard in quality will be rejected and the contractor shall remove and replace the same with such provisions as would give satisfaction. If he fails to supply the required provisions or replace the rejected ones in time, the same will be purchased elsewhere and the difference in cost between the tendered rate and that at which the provisions are purchased will be debited to his account by recovery from the bill or bills that are due to him and only the balance will be paid.

11. The earnest money on the rejected tenders will be returned.

CHIEF COMMANDANT'S OFFICE.

Notice dated 10th August 1917.

Sealed tenders for the supply of good and dry ragi and paddy straw required for the horses, etc., at the Kunigal Stud Farm will be received up to 2 P.M., on 31st August 1917, in the Office of the Chief Commandant, Mysore State Troops, Cubbon Park, Bangalore.

Conditions.

1. About 400 tons of ragi straw, 50 tons of paddy straw and 35,000 seers of rice tour will be required for the Government Stud Farm at Kunigal. The ragi straw is to be supplied in 4 instalments at 100 tons per month, beginning from September 1917. The whole quantity of paddy straw should be supplied in one lot before the end of September 1917. Rice tour should be supplied according to the indents of the Superintendent.

2. Tenders should clearly state the rate per ton of ragi straw and paddy straw delivered on the premises of the Government Stud Farm, Kunigal.

3. Tenders should be accompanied by an earnest money of Rs. 100 which will be forfeited to Government, if the tenderer, whose tender is accepted fails to execute the agreement for the due fulfilment of the contract. If the tender is not accepted the amount will be refunded.

4. The successful tenderer will be required to execute an agreement for the due fulfilment of the contract and to deposit Rs. 500 within eight days from the date of the declaration of the acceptance of the tender.

5. It should be noted that the quantity of straw and rice tour shown above is only approximate and that either less or more than the stated quantity will be taken as required; and the contractor should supply the same at the accepted rate.

6. If it is found at any time that the ragi straw is not good, but is mixed with other stuff unsuitable for the horses of the Stud Farm, the same will be rejected by the Superintendent, Kunigal Stud Farm; and the contractor will be liable to forfeit the deposit amount.

7. The Chief Commandant reserves to himself the right of accepting or rejecting the rates tendered for any of the articles or all without assigning any reasons therefor.

J. DESARAJ URS, COLONEL,

Chief Commandant, Mysore State Troops.

A sum of Rs. 14-14-9 is outstanding in the books of this office being the arrears due to Krishna Boyee for work done on Madras-Cannanore road. If the amount is not claimed before the 30th October 1917, it will be credited to Government.

Abstract Notification dated 6th August 1917.

Attention is invited to the notice published in Part II of *Mysore Gazette*, dated the 16th August 1917, inviting tenders for the erection of iron record racks in the Survey Office, Bangalore.

C. VIJAYARANGUM NAIDU,
Executive Engineer.

WATER-SUPPLY DIVISION.

Notice dated 18th August 1917.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Water-Supply Division, Bangalore, up to 1st October 1917, before 12 noon for constructing staff quarters at the Jewell Filters, Mysore. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of June 1918.

2. The plans, detailed estimates and conditions may be seen at the Executive Engineer's Office, Water-Supply Division, Bangalore, between the hours of 11 A.M. and 5 P.M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed,

4. Each tender must be accompanied by a deposit of Rs. 500 in cash or Government Promissory Notes, as earnest money, and be superscribed "Tender for constructing staff quarters at the Jewell Filters, Mysore," in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Chief Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which, his tender will be considered cancelled, and his earnest money forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

POLICE DEPARTMENT.

Abstract Notice.

Tenders are invited for the supply of khaki drills, pugree cloth, overcoats, putties, kullas, boots, sandals, etc., required for the Mysore Police for 1917-18, so as to reach the office of the Inspector-General of Police in Mysore, Bangalore City, not later than 1st October 1917.

For particulars in detail, *vide* notification published on page 743 of the *Mysore Gazette* dated 30th August 1917.

K. R. SRINIVASIENGAR,
Offg. Inspector-General of Police.

LUNATIC ASYLUM, MYSORE GOVERNMENT, BANGALORE.

Notification dated 30th August 1917.

Notice is hereby given that sealed tenders will be received up to 15th November 1917, by the Superintendent, Lunatic Asylum, Mysore Government, for the supply by contract, of articles of diet, etc., required for the use of the inmates of the Lunatic Asylum and the Maternity, Bangalore, from 1st January to 31st December 1918, both days inclusive. The nature of the articles required and the probable quantities are noted in the subjoined list.

2. No tender will be received after the date mentioned above.
3. Tenders to be superscribed "Tender for the supply of provisions for the Lunatic Asylum and the Maternity."
4. No tender will be received unless submitted with a deposit of Rs. 250 in cash, currency note or Government bonds.
5. Tenders will be opened by the Superintendent, Lunatic Asylum, Mysore Government, at the Lunatic Asylum on the 15th November 1917, in the presence of such tenderers as may choose to attend, at 8-30 A.M. Forms in which tenders are to be submitted may be obtained from the Superintendent of the Lunatic Asylum.
6. The Superintendent, Lunatic Asylum, Mysore Government, reserves to himself the right of rejecting any tender without assigning any reason for so doing.
7. The deposit of the successful competitor will be retained, and will be forfeited, if he fails to execute the contract bond or to furnish security to the amount of Rs. 1,000 in cash or Government bonds, within three days from the date of the acceptance of his contract being made known to him.
8. No advance of cash will be made to the contractor. Payments for the articles supplied will be made by the respective Medical Officers in charge of the institutions on the last working day of each month.
9. The contractor must submit his bill in English, for the cost of all articles supplied with calculations correctly made, three days before the last working day of each month. Persons who are unable to do this need not compete.
10. A store room will be made over to the contractor in which he can keep all non-perishable articles and at least a month's supply of these should always be kept in the room. Any article of diet rejected should be replaced within an hour.
11. Perishable articles such as milk, meat, tyre, vegetables and fruits must be at the Asylum at 8 A.M. daily.
12. The contingent articles, etc., should be supplied within twenty-four hours after the receipt of the order.
13. Milk should be drawn in the Asylum premises at 6-30 A.M. and 4-30 P.M. daily.
14. The contract must not be sublet.
15. A fine not exceeding Rs. 50 will be levied at the discretion of the Medical Officer in charge of the institutions, for every infringement of the stipulation of the contract or for the supply of any inferior articles; and, if the stipulation of the contract be frequently violated, the contract will be annulled and the security confiscated to Government.
16. The decision of the Superintendent, Lunatic Asylum, Mysore Government, to be final in all questions of the infringement of contract.
17. The contractor will be bound to purchase vegetables from the Lunatic Asylum garden for the use of the inmates, at the rate at which he supplies the same.
18. The sale, at the contractor's room of any article to the outside public, is strictly prohibited.
19. All articles should be of first sort, except those specified as second, and they should be previously cleaned.
20. Sweet fresh curds to be supplied to the satisfaction of the Superintendent, Lunatic Asylum.
21. If any article requires cleaning, grinding or both, the contractor shall have to pay a fee for getting the same done by the inmates of the Asylum according to the amount of labour involved.
22. All articles other than those tendered for, should be supplied at bazaar rates.
23. Ingredients required for the preparation of curry stuff as noted in page 2 *infra*, sufficient to cover at least a month's supply, should be supplied by the contractor as per scale, and, after approval of the same by the Superintendent, curry stuff shall be got prepared by the contractor, in the Asylum premises.

MYSORE GAME PRESERVES DEPARTMENT.

Notice dated 18th August 1917.

1. Sealed tenders will be received by the Officer in charge of Mysore Game Preserves, Bangalore, Camp Chamrajnagar, till the 20th September 1917, for the opening of a Provision Shop either at Budipadaga or Doddegowdanpalya for the supply of the undermentioned provisions to the Khedda Shikaries and Government Officers and their staff on duty in the Khedda Camp.

2. An approximate estimate of the quantities of provisions required is given against each item in the list, (quantities are not guaranteed).

3. Tenders should be submitted in the following form, showing the rates at which the different kinds of provisions specified, will be supplied.

4. Each tender must be accompanied by a deposit of Rs. 200 in currency notes as earnest money and be superscribed "Tender for the opening of a Provision Shop at the Khedda Camp at Budipadaga or Doddegowdanapalya."

5. The final acceptance of the tender will rest with the Conservator of Forests in Mysore, who does not bind himself to accept the lowest or any tender or assign any reason whatsoever for rejection of any tender.

6. The successful tenderer will be required to execute a contract bond within 5 days of the acceptance of the tender and deposit Rs. 500 as security, in default of which, his tender will be considered cancelled and his earnest money forfeited.

7. The tenders will be opened by the Officer in charge of Mysore Game Preserves at the Mysore Game Preserves Office, Cola Lodge, Bangalore City, on the afternoon of the 25th September 1917.

8. The name of the successful tenderer whose tender has been accepted will be posted on the notice board of the Mysore Game Preserves Office, Cola Lodge, Bangalore City. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

9. The successful tenderer shall open the Provision Shop on the 20th October 1917, at the Khedda Camp, and maintain sufficient stock of provisions enumerated in the list and comply with all the indents made on him during the period of the contract. He will have to supply provisions to about 1,000 shikaries from the 25th October 1917, till the Khedda operations are over. He should get periodical supply of such provisions as would rot.

10. Provisions supplied if not found up to the standard in quality will be rejected and the contractor shall remove and replace the same with such provisions as would give satisfaction. If he fails to supply the required provisions or replace the rejected ones in time, the same will be purchased elsewhere and the difference in cost between the tendered rate and that at which the provisions are purchased will be debited to his account by recovery from the bill or bills that are due to him and only the balance will be paid.

11. The earnest money on the rejected tenders will be returned.

2. Each bidder shall deposit a sum of Rs. 25 as earnest money before he is permitted to bid, which will be returned to him at the close of the sale, if his bid be not accepted. The accepted bidder shall immediately after the close of sale pay the $\frac{1}{4}$ th sale amount less the deposit already paid failing which the right will be immediately resold at the risk of the defaulting bidder. He is liable to the loss, if any, that may accrue by such resale but will not participate in any gain.

3. The District Forest Officer reserves to himself the power of accepting or rejecting any bid without assigning any reason therefor.

4. The accepted bidder shall deposit a further sum of Rs. 50 within a month from the date on which the confirmation of the sale is intimated to him and remit the $\frac{3}{4}$ amount due by him and shall execute an agreement accepting the terms specified below, failing which the amount already placed will be forfeited to Government and the produce resold at his risk as noted in clause 2 *supra* :—

- (a) That he binds himself to fell and remove the timber and fuel he has purchased before the 15th June 1918.
- (b) The felling shall be made in a methodical manner from one side leaving out all standard trees marked on the area.
- (c) That the timber removed and stacked in the selected spot shall be passed and the logs stamped and covered by a passport to be issued by the Range Officer or such other officer deputed for the purpose before effecting any removal outside the forest limits.
- (d) That if any standard tree reserved by the Department at an average of 20 per acre and marked in the area is felled, he will pay a fine not exceeding Rs. 10 per tree.
- (e) That timber or fuel shall be removed outside the forest limits before the 15th June 1918.
- (f) That he agrees to abide by the rules of the Department as regards kindling of fires and holds himself responsible for any forest offences committed by his agents, employees or workmen.
- (g) That he agrees to maintain a register in the form prescribed by the District Forest Officer for the purpose showing the number of trees felled and the outturn of timber and fuel resulting therefrom and it will be open to the examination of all Forest Officers above the grade of guards.
- (h) That no operations should take place in the forest either before sunrise or after sunset.
- (i) That he agrees to the cancellation of the contract and the forfeiture of his deposit for breach of any of the terms of the contract.
- (j) The contract period lasts up to 15th June 1918, and after which, the purchaser will have no right whatsoever over the coupe and the timber or fuel left therein without being removed. He will, as well, lose all claims on the amount paid by him for the contract after that date.

POLICE DEPARTMENT.

Abstract Notice

Tenders are invited for the supply of khaki drills, pugree cloth, overcoats, putties, kullas, boots, sandals, etc., required for the Mysore Police for 1917-18, so as to reach the office of the Inspector-General of Police in Mysore, Bangalore City, not later than 1st October 1917.

For particulars in detail, *vide* notification published on page 743 of the *Mysore Gazette* dated 30th August 1917.

K. R. SRINIVASIENGAR,
Offg. Inspector-General of Police.

BANGALORE CENTRAL JAIL.

Notice dated 4th September 1917.

1. Notice is hereby given that sealed tenders will be received up to 10 A.M., but not after, on Saturday the 17th November 1917, by the Superintendent of the Bangalore Central Jail, for the supply by contract of the following article required for the use of the said Jail, for the period of one year, from 1st January to 31st December 1918, both days inclusive.

2. Tenders to be superscribed as follows:— "Tender for the supply of Firewood."

3. No tender will be received unless accompanied by a deposit of Rs. 50.

4. Tenders will be opened by the Superintendent of the Bangalore Central Jail at his office on the date and hour abovementioned, in the presence of such tenderers as may choose to attend.

5. All tenders must specify the rate at which the following article can be supplied in pound weights per rupee, and all articles supplied to be of good quality and subject to the approval of the Superintendent.

*Probable annual
consumption.*
lbs.

Dry casuarina firewood, chopped by convict labor, the billets to be of about one cubit in length and between one and a half and three inches in thickness.

The quantity above stated is not guaranteed.

6. The Superintendent reserves to himself the right of rejecting any tender without assigning any reason for so doing.

7. The deposit of the successful tenderer will be retained and will be forfeited if he fails to execute the contract bond, or to furnish security to the amount of Rs. 100 in cash or Government bonds, within one week from the date of the acceptance of his contract being made known to him.

8. The contract for the supply of firewood shall be entered into for the whole year, at the end of which alone final adjustment of accounts will take place. In the meanwhile, to facilitate supplies, advances to the extent of the value of supplies made in a month will be made to the contractor at the end of that month, by which time bills with vouchers must be submitted duly signed by him (contractor) in presence of the Superintendent. The amounts thus advanced will be set off against the amount payable to the contractor at the end of the year for firewood supplied by him. These advances are not liable to be attached by Civil Courts.

9. A store room will be made over to the contractor, in which he can store his firewood, of which not less than one month's supply must always be kept in stock. The Government shall have a lien on the firewood stored from time to time by the contractor on the Jail premises for the amounts advanced to him from time to time.

10. A fine not exceeding Rs. 50 will be levied at the discretion of the Superintendent of the Bangalore Central Jail and subject to the approval of the Inspector-General of Prisons in each case for any infringement of the stipulations of the contract or for the supply of any inferior article, and if frequently violated, the contract may be annulled and the security confiscated to the Government.

11. The decision of the Superintendent of the Bangalore Central Jail, subject to the approval of and revision by the Inspector-General of Prisons, will be final in all questions of infringement of contract.

12. Any further information can be obtained by applying at the Superintendent's office.

13. The contract will be subject to the confirmation of the Inspector-General of Prisons.

14. In case of the contractor, after taking the contract, being not willing to carry out his agreement, he shall give at least one month's notice and shall forfeit the security money to Government. The contractor will also be bound to make good to Government any loss which may arise from his failure, or by Government having to purchase the article specified in the contract in the local market at higher rates than those contracted for.

N.B.—No concession of any kind will be allowed on the above contract.

Notification dated 4th September 1917.

1. Notice is hereby given that sealed tenders accompanied by samples for approval of No. I "Grains" will be received up to 10 A.M., on Saturday the 17th November 1917, by the Superintendent of the Bangalore Central Jail, for the supply, by contract, of the following articles of rations required for the use of the prisoners confined in the Bangalore Central Jail, from 1st January 1918 to 31st December 1918, both days inclusive.

2. Tenders will be superscribed separately as follows:—

Tenders for the supply of No. I. "Grains," No. II. "Condiments" and No. III. "Other necessities."

3. No tenders will be received unless accompanied by a deposit of Rs. 200 for grains, Rs. 50 for condiments and Rs. 150 for other necessities in cash or currency notes.

Store rooms will be made over to the contractors in which they can keep all non-perishable articles, of which not less than one month's supply must always be in store, i.e., the quantity in stock plus the quantity issued to prisoners in the month should be not less than a month's supply. The Government shall have a lien on the grains, etc., stored from time to time by the contractor on the Jail premises, for the amounts advanced to him from time to time. Perishable articles such as vegetables, mutton, etc., must be at the Jail by 7 A.M. daily.

11. A fine not exceeding Rs. 50 will be levied at the discretion of the Superintendent of the Jail and subject to the approval of the Inspector-General of Prisons in each case for any infringement of the stipulation of the contract or for the supply of inferior articles, and if frequently violated, the contract may be annulled and the security confiscated to the Government.

12. The decision of the Superintendent, subject to the approval of, and revision by, the Inspector-General of Prisons, to be final in all questions of infringement of contract.

13. The contractor will be bound to purchase vegetables and other garden produce required for the use of the prisoners, from the Jail at the contract rates.

14. Any further information can be obtained by applying to the Superintendent's office.

15. The accepted tender will be subject to confirmation by the Inspector-General of Prisons in Mysore, who reserves to himself the right of rejecting all or any of the tenders.

16. If the contractors are unwilling or unable to carry out their agreement, they shall give at least one month's notice and shall be liable to forfeit the security money to Government.

17. The contractors will also be bound to make good to Government any loss which may arise from their failure or by Government having to purchase the articles specified in the contracts in the local markets at higher rates than those contracted for.

N. B.—No concession of any kind will be allowed in the contracts.

Notice dated 28th August 1917.

Notice is hereby given that sealed tenders will be received up to 8 A.M., on Wednesday the 5th December 1917 by the Superintendent of the Mysore Jail for the supply of the following raw materials required for use in the Industrial Department of the Jail.

Abstract Notification.

The attention of the public is invited to the detailed notification published in pages 749-750, Part IV of the *Mysore Gazette*, calling for tenders to reach on the 1st October 1917, for constructing the staff quarters at the Jewell Filters, Mysore.

Notification dated 7th September 1917.

Notice is hereby given that sealed tenders will be received by the undersigned up to 12 noon of 1st October 1917, for the supply of belts and belt fasteners required for the use of Harihar and Davangere Pumping Stations.

2. An approximate estimate of the quantities required is given against each item in the list. These quantities are not guaranteed.

3. Tenders should be submitted in printed forms which may be obtained from the undersigned's office and accompanied by a list in the annexed form showing the rates at which the different items specified in the list will be supplied.

4. Each tender must be accompanied by a deposit of Rs. 50 either in cash or in currency notes as earnest money and be superscribed "Tenders for the supply of belts and belt fasteners for Harihar and Davangere Pumping Stations."

5. The final acceptance of any tender will rest with the Executive Engineer who does not bind himself to accept the lowest or any tender or assign any reason whatsoever for the rejection of any tender.

6. The name of the successful competitor whose tender has been accepted will be posted on the notice board of the undersigned's office in the usual course and no enquiries regarding the acceptance or rejection of a tender will receive attention.

7. The rate tendered for each item shall include cost of delivery F. O. R. Harihar and not ex-godown, and tenderers accepting delivery in sound condition F. O. R. Harihar only shall receive consideration.

8. The competitor whose tender is accepted shall not rail the articles and post the Railway receipt advising the delivery at Harihar but on the other hand shall deliver the articles in sound condition personally to the authorised agent of the undersigned at Harihar; and articles damaged, broken or in any way defective shall not be accepted and the contractor is bound to replace such of the articles within a week from the date of rejection.

9. The successful competitor will be required to execute an agreement bond as per rules before the supply is made.

10. The supply in full must be completed within one week from the date of order placed with the successful tenderer, failing which, the unexecuted portion of the order will be cancelled and order placed elsewhere, and the earnest money deposited by the successful competitor will not only be forfeited as a penalty for the non-execution of order in full but shall make him liable for any extra cost that may be involved over the tendered rate on such materials.

PAPPALI BARK.

Auction Sale Notification dated September 1917.

It is hereby notified for general information that the exclusive right of collecting pappali bark on all Government unoccupied lands and State Forests, from October 1917 to 30th September 1918, in the following taluks will be sold by public auction by the District

Forest Officer, West Division, Mysore District, on 16th October 1917, at the District Forest Office, Mysore :—

Taluk	Remarks
1. Heggaddevankote ...	Includes produce on all Government unoccupied lands, Amrut Mahal Kavals, Plantations and State Forests and excludes the produce of Inam, Jodi, Kayangutta, Sarvamanya, Kandayam and other lands, which are in the occupancy of private individuals.
2. Naraindrug ...	

2. The auction will commence at 2 P.M. and if it is not concluded on the same day will be continued on the next following day at the same hour.

3. Defaulters on account of previous leases will not be permitted to bid.

4. No person will be allowed to bid unless he has deposited with the Officer holding the sale, a sum of Rs. 50 which must be deposited in the form of currency notes. The deposits of unsuccessful bidders will be returned immediately after the sale.

5. The exclusive right of collecting and removing the produce above described will be disposed of to the highest bidder subject to the confirmation of the Deputy Commissioner, who, at his discretion, may accept or reject the highest or any other bid without assigning any reason therefor.

6. The successful bidder shall, at the close of the sale, credit into the District Treasury one-quarter of the total rental including the deposit already made together with local cess at one anna per rupee and a railway cess of 3 pies per rupee on the lease amount. In default, the deposit will be forfeited and the right resold. Such resale will be at the risk of the defaulting purchaser, who will be liable to make good any loss that may result to Government by it, but will not participate in any profit accruing therefrom.

7. If the sale is not confirmed by the Deputy Commissioner, the amount paid will be refunded to the party.

8. Within fifteen days of the intimation of the confirmation of the sale, the accepted bidder shall pay the lease amount in full with local and railway cess thereon and execute an agreement on a duly stamped paper binding himself to observe the conditions hereunder mentioned. In default, the acceptance of his bid will be revoked, the money already paid forfeited and the right resold. At the same time, he shall deposit in the Government Savings Bank one-quarter of the sale amount as security for the due fulfilment of the conditions of the lease, which will be returned to him after the expiry of the period of lease.

N. B.—The Government will not make any extra demand for lands resigned from occupation and the lessee shall not be entitled to any rebate on account of lands taken up for cultivation during the currency of the lease.

Further conditions to be entered in the agreement :—

(a) To hold himself responsible to prevent the cutting of tender stems under one year by himself, his servants or agents.

(b) To furnish a list of sub-contractors and maistries, who may be appointed by him for the collection of the bark.

(c) To work out the lease himself and not to transfer or sub-let it to others without the previous sanction of Deputy Commissioner.

(d) The barked wood to be the property of the lessee.

(e) To keep accounts showing the quantity of the bark collected and removed in accordance with the lease and to permit the inspection of such account by the Deputy Commissioner or the District Forest Officer or any other Officer deputed by either of them.

(f) To render every month to the District Forest Officer, an account of the number of cart-loads of thangadi and kakke bark collected and carted during the month.

(g) To provide printed passes for the export of the bark under his signature for each cart-load in such form as may be prescribed by the District Forest Officer.

(h) To remove out of the limit of the District before the 30th September 1918, all bark collected and stored under the terms of this lease.

(i) In the event of the breach of any, of the above conditions, the security amount will be liable to forfeiture in whole or in part at the discretion of the Deputy Commissioner.

MYSORE WEST DIVISION.

Notification dated 4th September 1917.

Sealed tenders are invited for felling and removing giant teak trees from the following State Forest coupes of the Mysore West Division during the official year 1917-18:—

Name of forest	No. of tree in 1st sub-periodic block	No. in coupe of 1914-15	No. in coupe of 1915-16	No. in coupe of 1916-17	Total	Remarks
(1) Kakankote Forest ..	63	37	24	16	140	
(1) Begur Forest ...	..	...	11	216	227	More or less

2. The tenders should be addressed to the District Forest Officer, Mysore West Division, so as to reach him on or before 12th October 1917. Any tender received after the above mentioned date will not be taken notice of.

3. Each tender should be accompanied by an earnest money of Rs. 100 in currency notes and should be registered and insured and superscribed as "Tender for felling and removing giant teak." Tenders may be submitted for one or both the ranges.

4. The right of accepting or rejecting any tender is rested in the Conservator of Forests, who is not bound to assign any reason for accepting or rejecting the highest or lowest tender. The rate to be offered should be for a cubic foot.

5. The successful tenderer or tenderers are required to enter into an agreement with the District Forest Officer, within a week of the intimation given to him or them binding to observe the following conditions, in default of which, the contract is liable to be cancelled and the earnest money forfeited to Government.

6. In fulfilment of the terms of the contract he or they shall deposit in the Government Savings Bank a sum of rupees one thousand only as Security Deposit. The amount is liable to be forfeited to Government for the breach of any or all the conditions of the agreement and the contract cancelled. The earnest money of the successful tenderers will be retained towards a portion of the security for the fulfilment of the terms of the contract after the bond is executed and others returned to the parties concerned.

Other Conditions.

- (a) All teak trees 10 feet and over in girth are to be reckoned as giant trees.
- (b) No tree should be felled unless they are marked by the Range Officer.
- (c) The trees shall be felled in consecutive order as they are marked. Picking and choosing will not be allowed. In felling trees care should be taken so as not to cause damage as far as possible to the surrounding tree-growth. All marketable portions of a tree should be converted into timber.
- (d) The felled timber shall be dressed on the spot at the cost of the tenderer. Only saws will be used for cutting up logs into required lengths. No logs should be sawn up into scantlings; but he may split big logs into cartable size by wedges.
- (e) That while the purchaser is permitted to remove whitewood knots and flutes, he shall not cause unnecessary waste in dressing the logs.
- (f) That the timber prepared out of each tree shall be measured and entered into a Register by the Range Officer or such other Officer, as the District Forest Officer may authorize.
- (g) That all timber prepared and measured as stated in the above paras, will be conveyed to the Mysore Woodyard under pass-ports issued by the Range Officer or any other subordinate deputed by him for the purpose. The carting charges will be borne by the purchaser himself. Timbers received in the depot without pass-ports will be forfeited to Government.
- (h) The timber receipted in the Mysore Woodyard will be measured and the value at the tendered rates will be fixed.
- (i) All logs received in the Mysore Woodyard should be paid for and removed at the close of each month or quarter as it suits him. The purchaser shall not have any right over timber felled and removed by him to the Woodyard until he pays the seigniorage value. Any timber in this Depot not paid for at the close of the official year shall lapse to the department.
- (j) That for every unmarked tree felled by the purchaser, he will pay a fine not exceeding Rs. 15 per tree.
- (k) All timber felled in the forest and not carted to Mysore Woodyard at the close of the official year either lying in the forest or anches shall be forfeited to Government unless extension of time is granted by the Conservator of Forests.

- (h) If in the opinion of the District Forest Officer that the exploitation work of the purchaser is not satisfactory and the purchaser is not likely to work up the contract, the District Forest Officer will at once cancel the contract, forfeit the security, and will make other arrangements for the exploitation of timber.
- (m) In all matters relating to this contract, the Conservator of Forests shall be the final appellate authority.
- (n) The purchaser shall agree to abide by the rules of the department as regards kindling of fires and hold himself responsible for any forest offences committed by him, his agents, employees and workmen.
- (o) The security furnished will be returned to the contractor one month after the expiry of the contract period if the whole or any portion of which is not forfeited to Government by the violation of any of the terms of the contract.
- NOTE.—Elephants could be hired when available on payment of a hire of Rs. 6 per male and Rs. 5 per female for a working day of six hours (rations to be supplied by the hirer).
- (p) The contractor shall maintain a bound register showing the particulars of trees felled and the outturn of timber obtained. This register is liable for inspection by Departmental Officers.
- (q) The trees shall, as far as possible, be felled flush with the ground and in no case, the stump left behind in the ground after felling should exceed one foot in height.

Notification dated 10th September 1917.

It is hereby notified that a sum of Rs. 8-1-0 being the travelling allowance due to one Narayan Iyer who was lately an orderly attached to the Forest Vernacular Training School, Mysore, is remaining undischarged in the office of the undersigned as the whereabouts of this man are not known. If the amount is not claimed within three months from the date of this notification, the same will be credited to the Government.

P. S. GOVINDA RAO,
District Forest Officer.

SHIMOGA DIVISION.

Abstract Notification dated 11th September 1917.

The dates of sales of timber at Shimoga and Benkipur depots notified in page 764, Part IV of the *Mysore Gazette*, dated 6th September 1917, have been altered from 29th September and 1st October 1917 to 6th and 8th October 1917 respectively.

Notification dated 1st September 1917.

It is hereby notified that sealed tenders will be received at the office of the District Forest Officer, Shimoga Division, Shimoga, upto 30th September 1917 for felling, rough preparation and carting timber from the several forests to the depots noted in the statement below.

2. Tenders must be superscribed "Tender for felling, rough preparation and carting to the depots" and must be addressed to the District Forest Officer, Shimoga.
3. Tenders may be one or for several jungle or sale depots.
4. Each tender must accompany a deposit of Rs. 100 in currency notes for each jungle depot as earnest money together with a statement in the form given below showing the rates per C. ft. at which timber from the various forests will be carted.
5. The acceptance of any tender will rest with the Conservator of Forests in Mysore, who does not bind himself to accept the lowest or any tender or to assign any reason for the rejection of any tender.
6. Within eight days of the acceptance of the tender, the successful tenderer is required to execute a bond specifying the terms given below on a stamped paper in default of which the tender will be considered cancelled and the earnest money will be forfeited and the tenderer will also be made liable for any other damages which the department suffer.

Terms.

- (a) The stock of timber at the jungle depots should be loaded in carts in the order in which the logs are stacked.
- (b) The quantity of timber tendered for should be delivered in equal monthly instalments and the contract fully satisfied by the 15th of May 1918.
- (c) Each consignment of timber should be covered with a passport issued by the Forester or guard in charge of the depot.

- (d) In particular cases, under the written orders of the Range Officer, the contractor is bound to cart such particular kind of log as he may be called upon.
- (e) The contractor is responsible for the safety of the logs given to his charge and should take them to the depot noted in the passport within the time allotted in the pass.
- (f) Logs which may have been dropped *en route* by accident should be delivered at the depot at the latest, with the next consignment, which the contractor takes into the depot.
- (g) The contractor should obtain receipts from the depot officers for the logs delivered there.
- (h) The contractor should agree to receive payment at the close of each month on bills tendered by him supported by the depot receipts.
- (i) The contractor should bind himself responsible for all acts done by him regarding the kindling of fire, etc., in the depot yard or in the State Forest through which carts may pass. He should also agree to stop his carts only at such places as may have been fixed upon by the department within the boundaries of the State Forest.
- (j) For any breach of the contract terms, it shall be open to the District Forest Officer, to cancel the contract or forfeit all or any portion of the deposit or money due to the contractor.
- (k) From all orders of the District Forest Officer, appeal will lie to the Conservator of Forests, whose decision will be final.
- (l) Felling and preparation of timber should be restricted to the following conditions:—
1. Only marked trees in the coupe must be felled in consecutive order and the logs must be properly dressed.
 2. Trees must be cut at not more than a foot from the ground.
 3. Felling must be directed so as not injure the surrounding valuable growth.
 4. All the utilisable portion of the tree must be made use of.
 5. The buttress of a log must be completely removed.
 6. In the case of beetle, the log must be round and the ends must sawn.

Full details of supplies required and the conditions for tenders are published in the *Mysore Gazette*, dated the 13th September 1917.

Dated 12th September 1917.

Notice is hereby given that sealed tenders will be received up to 10 A.M., but not after, on Saturday the 17th November 1917, by the Superintendent of the Bangalore Central Jail, for the supply, by contract, of all kinds of timber required for the use of the Jail manufactory from 1st January 1918 to 31st December 1918, both days inclusive.

2. No tenders will be received unless accompanied by a deposit of Rs. 200 in cash or currency notes.

3. Tenders will be superscribed "Tender for the supply of timber for the Central Jail, Bangalore."

4. Tenders will be opened by the Superintendent of the Central Jail at his office, on the date abovenamed, in the presence of tenderers or their authorised agent who may choose to attend.

5. The Superintendent reserves for himself the right of rejecting any tender without assigning any reason for so doing.

6. All tenders must specify the rates per cubic foot at which various kinds of timber will be supplied. The timber must be of good quality and seasoned one.

7. The deposit of the successful competitor will be retained and will be forfeited if he fails to execute the contract bond, or to furnish security to the amount of Rs. 400 in cash or Government bonds, within one week from the date of acceptance of his contract being made known to him.

8. The contract for supplies shall be entered into till the end of December 1917, at the end of which alone final adjustment of accounts will take place. In the meanwhile, to facilitate supplies, advances to the extent of the value of supplies made in a month will be made to the contractor at the end of that month, by which time bills with vouchers must be submitted duly signed by him (contractor) in the presence of the Superintendent. Such advances will be set off against the amount payable to the contractor at the end of the year for timber supplied by him and are not liable to be attached by Civil Courts in execution of decrees.

9. A fine not exceeding Rs. 30 will be levied at the discretion of the Superintendent of the Central Jail and subject to the approval of the Inspector-General of Prisons in Mysore in each case for any infringement of the stipulations of the contract or for the supply of any inferior wood and the contract may be annulled and the security confiscated to Government.

10. The decision of the Superintendent of the Central Jail, subject to the approval and revision by the Inspector-General of Prisons will be final in all questions of infringement of contract.

11. Any further information can be obtained by applying at the Superintendent's office.

12. The contract must not be sub-let.

13. The accepted tender is subject to the confirmation of the Inspector-General of Prisons in Mysore, who reserves to himself the right of rejecting all or any of the tenders.

14. The probable quantity of each timber is given below, but the same is not guaranteed.

15. All articles indented for should be supplied within 24 hours unless in exceptional cases, the Superintendent sees fit to extend the time.

Note.—Any other articles required for manufactures or other purposes in the Jail shall be supplied by the contractor, at market rates, should the Superintendent require him to do so.

Dated 12th September 1917.

Notice is hereby given that sealed tenders accompanied by samples, together with trade marks, for approval, will be received up to 10 A.M., but not after, on Saturday, the 17th November 1917, by the Superintendent of the Bangalore Central Jail, for the supply, by contract, of different kinds of cotton yarn required for the use of the Jail Manufactory from 1st January 1918 to 31st December 1918, both days inclusive.

2. No tenders will be received unless accompanied by a deposit of Rs. 300 in cash or currency notes.

3. Tenders will be superscribed "Tender for the supply of different kinds of cotton yarn for the Central Jail, Bangalore."

4. Tenders will be opened by the Superintendent of the Central Jail at his office on the date above named in the presence of tenderers or their authorized agent who may choose to attend.

5. The Superintendent reserves for himself the right of rejecting any tender without assigning any reason for so doing.

6. All tenders must specify the rates per bundle of 10 lbs., at which the different kinds of cotton yarn will be supplied.

7. All cotton yarn so supplied shall be of the best quality and fast color, any of them rejected shall be forthwith supplied of proper quality; if not shall be purchased by the Superintendent and paid for by the contractor.

8. The deposit of the successful competitor will be retained and will be forfeited if he fails to execute the contract bond or to furnish security to the amount of Rs. 600 in cash or Government bonds, within one week from the date of acceptance of his contract being made known to him.

9. The contract for supplies shall be entered into twelve months at the end of which alone final adjustment of accounts, will take place. In the meanwhile to facilitate supplies, advances to the extent of the value of supplies made in a month will be made to the contractor at the end of that month, by which time bills with vouchers must be submitted, duly signed by him (contractor) in the presence of the Superintendent. Such advances will be set off against the amount payable to the contractor at the end of the year for cotton yarn supplied by him and are not liable to be attached by Civil Courts in execution of decrees.

10. A fine not exceeding Rs. 30 will be levied at the discretion of the Superintendent of the Central Jail and subject to the approval of the Inspector-General of Prisons in Mysore in each case for any infringement of the stipulations of the contract or for the supply of any inferior kinds of cotton yarn and the contract may be annulled and the security confiscated to Government.

11. The decision of the Superintendent of the Central Jail, subject to the approval and revision by the Inspector-General of Prisons will be final in all questions of infringement of contract.

12. Any further information can be obtained by applying at the Superintendent's office.

13. The contract must not be sublet.

14. The accepted tender is subject to the confirmation of the Inspector-General of Prisons in Mysore, who reserves to himself the right of rejecting all or any of the tenders.

15. The probable quantity of different kinds of cotton yarn is given below, but the same is not guaranteed.

TERMS OF AGREEMENT.

The purchaser agrees to accept every month such quantities of timber not being less than one-twelfth of the minimum specified in para 6 *infra* and such other additional quantity as the purchaser may require and the Conservator may be able to supply during the month.

2. The Conservator does not bind himself to supply the minimum or any quantity and he does not bind himself to assign any reason for so doing.

3. In the case of timber of kinds other than those contracted for, which may be in request on the Gold Mines, the purchaser will be given the first refusal of such timber at such reasonable rates as may be fixed by the Conservator of Forests which shall not exceed, however, the rates offered by other persons.

4. During the period embraced by contract, the Conservator will not supply to any other persons or any Gold Mining Company in India, timber of the contracted kinds for use in Kolar Gold Fields from the district.

5. The purchaser agrees that he will not sub-let the contract.

6. The purchaser further agrees to purchase not less than the minimum quantity of timber of the kinds and dimensions specified at the rates noted in the subjoined table annually:—

9. The purchaser must make his own arrangements for the selection of timbers at the consigning station and will not be permitted to reject any at destination on any grounds whatever.

10. The value of timber supplied must be paid by the purchaser immediately after selection into the Treasury and before removal.

11. Within a week from the date of the execution of the agreement, the purchaser must deposit a sum of Rs. 1,000 with the Conservator of Forests in cash. In default, the original deposit of Rs. 100 made with the tender shall be forfeited and the contract cancelled; and the purchaser will be held liable for all damages and loss that the department may sustain owing to his default.

12. For any breach of the terms of the contract, it shall be open to the Conservator of Forests to declare the whole or any portion of the deposit forfeited to the State and to require the purchaser to lodge a fresh deposit of Rs. 1,000 or portion thereof, as the case may be, and in default, to cancel the contract.

13. All appeals against the order of the Conservator, will lie to the Government of His Highness the Maharaja of Mysore whose decision will be final.

M. G. RAMA RAO,
Conservator of Forests in Mysore.

BANGALORE DISTRICT.

Abstract Notification dated 4th September 1917.

The attention of the public is invited to the detailed notification dated 4th September 1917, published on pages, 784, 785, Part IV of the *Mysore Gazette*, dated 13th September 1917, regarding the sale of coupes of the several forests of the Bangalore District from 24th September 1917 to 3rd October 1917.

V. ETHIRAJULU NAIDU,
District Forest Officer.

MYSORE WEST DIVISION.

Notification dated 10th September 1917.

It is hereby notified that a sum of Rs. 8-1-0 being the travelling allowance due to one Narayan Iyer who was lately an orderly attached to the Forest Vernacular Training School, Mysore, is remaining undischarged in the office of the undersigned as the whereabouts of this man are not known. If the amount is not claimed within three months from the date of this notification, the same will be credited to the Government.

Abstract Notification.

The attention of the public is invited to notification published in the *Mysore Gazette*, dated 20th September 1917, (page 810 of Part IV), calling for tenders for felling and removing giant teak trees in Heggaddevankote Taluk State Forests.

Notification dated 22nd September 1917.

It is hereby notified that sealed tenders in form prescribed, which could be obtained from the District Forest Officer, Mysore District, on application, will be received by the District Forest Officer, Mysore West, up to 4 P.M. of 13th October 1917, for the purchase of the right to cut and remove the following trees numbered and marked in the forests and coupes mentioned against them —

Serial No.	Name of forest	Name of working circle	Year of coupe	Description of trees				Minimum girth	Remarks
				Teak	Honna	Bite	Matti		
1	Ammuragide State Forest.	Kalkere	1917-18	333	19	13	136	Teak 6½', honna and bite 6½', matti 5'.	All parts accessible to carts. Giant teak trees to be excluded. More or less.

2. Tenders must be superscribed "tender for standing trees" and must be accompanied by a deposit of Rs. 100 (one hundred only) in currency notes as "earnest money." The deposits of unsuccessful tenderers will be returned and of the successful tenderers will be held as a portion of security for the due performance of the contract.

3. Tender must be made for the timber of the whole coupe. The rates offered must be based on the outturn of timber in cubic feet, after squaring or dressing and shall vary according to cubical contents or girth of the logs or pieces.

4. The final acceptance of the tenders will rest with the Conservator of Forests, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

5. The successful tenderer will, within a week of the receipt of the intimation of the acceptance of his tender execute an agreement accepting the terms specified below, in default, the order of the acceptance will be cancelled and the earnest money forfeited to Government:—

(a) That he binds himself to fell and remove the timber he has purchased in not less than the following proportions —

One-half by the end of February 1918.

Balance, 30th June 1918.

(b) The trees shall be felled in consecutive order as they are marked. Picking and choosing will not be allowed

In felling trees, care should be taken to fell so as not to cause damage to the surrounding growth.

(c) That he shall fell the trees he has purchased and dress the logs on the spot. He will not be bound, however, to remove such logs as the District Forest Officer may declare to be unsound and unfit for sale without recourse to sawing. The District Forest Officer's decision regarding the overdressing of logs shall be final and the purchaser shall pay the amount for such wastage as calculated by the District Forest Officer.

(d) That only saws will be used for cutting up the logs into the required lengths and that while he is permitted to remove white wood, knots and flutes, he shall cause no unnecessary waste in dressing the logs. The District Forest Officer's opinion regarding the overdressing of logs shall be final and the purchaser should pay the amount for such wastage as calculated by the District Forest Officer.

(e) That he binds himself to pay for and remove all marketable portions of a tree either in logs, pieces or poles.

(f) That the timber prepared out of each tree shall be measured and stamped by the Range Officer, or such other officer as the District Forest Officer may authorise, at the stump. Until the timber is marked at the stump, the timber shall not be removed.

(g) That he shall pay for all the timber measured as per clause (f) before removal from the forest or the depot fixed by the District Forest Officer.

- (h) That all removals should be effected under passports issued by the Forest Officer in charge of the forest or depot and on presentation of the treasury receipt for the value of the timber he intends to remove.
- (i) That if any tree other than the one bearing the departmental stamp impression or a tree that he has not purchased is felled, he will pay a fine not exceeding Rs. 15 for each tree.
- (j) That the timber paid for but not removed within six months of the termination of the contractor shall lapse to Government.
- (k) That he agrees to such timber as may not be paid for before the 30th June 1918, shall lapse to Government.
- (l) That he agrees to abide by the rules of the department, as regards kindling of fires and holds himself responsible for any forest offences committed by his agents, employees and workmen.
- (m) That he agrees to the cancellation of the contract and the forfeiture of his deposit for breach of any of the terms of the contract.
- (n) That he agrees to maintain a register in the form prescribed by the District Forest Officer, showing the serial number and kind of trees felled and the out-turn of timber for each tree, which will be open to the examination of all Forest Officers. In fulfilment of the terms of the contract, the successful tenderer will deposit in the Government Savings Bank a sum of Rs. 500 including the earnest money of Rs. 100.

Note.—Elephants could be hired when available on payment of a hire of Rs 6 per male and Rs 5 per female for a working day of six hours (rations for the elephants to be supplied by the hirer.)

WEST DIVISION

MYSORE SOUTH DIVISION

PAPPALI BARK.

Auction Sale Notification dated 15th September 1917.

It is hereby notified for general information that the exclusive right of collecting pappali bark on all Government unoccupied lands and State Forests, from 1st November 1917 to end of June 1918, in the following taluks will be sold by public auction by the District Forest Officer, Mysore District, on 16th October 1917, at the District Forest Office, Mysore South Division, Mysore.

Taluk	Remarks
1. Chamrajnagar	Includes produce on all Government unoccupied lands, Amrut Mahal kavals, Plantations and State Forests and Public Cattle Kavals but excludes the produce of Inam, Jodi, Kayamgutta, Sarvamanya, Kandayam and other lands, which are in the occupancy of private individuals.

2. The auction will commence at 2 P.M. and if it is not concluded on the same day will be continued on the next following day at the same hour.

3. Defaulters on account of previous leases will not be permitted to bid.

4. No person will be allowed to bid unless he has deposited with the Officer holding the sale, a sum of Rs. 20 which must be deposited in the form of currency notes. The deposits of unsuccessful bidders will be returned immediately after the sale.

5. The exclusive right of collecting and removing the produce above described will be disposed of to the highest bidder subject to the confirmation of the Deputy Commissioner, who, at his discretion, may accept or reject the highest or any other bid without assigning any reason therefor.

6. The successful bidder shall, at the close of the sale, credit into the District Treasury one-quarter of the total rental including the deposit already made together with local cess at one anna and railway cess at three pice per rupee. In default, the deposit will be forfeited and the right resold. Such resale will be at the risk of the defaulting purchaser, who will be liable to make good any loss that may result to Government by it, but will not participate in any profit accruing therefrom.

7. If the sale is not confirmed by the Deputy Commissioner, the amount paid will be refunded to the party.

8. Within fifteen days of the intimation of the confirmation of the sale, the highest bidder shall pay the balance of lease amount and shall execute an agreement on a duly stamped paper binding himself to observe the conditions hereunder mentioned. In default, the acceptance of his bid will be revoked, the money already paid forfeited and the right resold. At the same time, he shall deposit in the Government Savings Bank one-quarter of the sale amount as security for the due fulfilment of the conditions of the lease, which will be returned to him after the expiry of the period of lease.

N. B.—The Government will not make any extra demand for lands resigned from occupation and the lessee shall not be entitled to any rebate on account of lands taken up for cultivation during the currency of the lease.

Further conditions to be entered in the agreement.—

(a) To hold himself responsible to prevent the cutting of tender stems under one year by himself, his servants or agents.

(b) To furnish a list of sub-contractors and maistries, who may be appointed by him for the collection of the bark.

(c) To work out the lease himself and not to transfer or sub-let it to others without the previous sanction of Deputy Commissioner.

(d) The barked wood to be the property of the lessee.

(e) To keep accounts showing the quantity of the bark collected and removed in accordance with the lease and to permit the inspection of such accounts by the Deputy Commissioner or the District Forest Officer or any other Officer deputed by either of them.

(f) To render every month to the District Forest Officer, an account of the number of cart-loads of thangadi and kakke bark collected and carted during the month.

(g) To provide printed passes for the export of the bark under his signature for each cart-load in such form as may be prescribed by the District Forest Officer.

(h) To remove out of the limit of the District before the 30th June 1918, all bark collected and stored under the terms of this lease.

(i) In the event of the breach of any of the above conditions, the security amount will be liable to forfeiture in whole or part at the discretion of the Deputy Commissioner.

P. S. GOVINDA RAO,
District Forest Officer

SHIMOGA DIVISION.

Notification dated 1st September 1917.

It is hereby notified that sealed tenders will be received at the office of the District Forest Officer, Shimoga Division, Shimoga, upto 30th September 1917 for felling, rough preparation and carting timber from the several forests to the depots noted in the statement below.

2. Tenders must be superscribed "Tender for felling, rough preparation and carting to the depots" and must be addressed to the District Forest Officer, Shimoga.

3. Tenders may be one or for several jungle or sale depots.

4. Each tender must accompany a deposit of Rs. 100 in currency notes for each jungle depot as earnest money together with a statement in the form given below showing the rates per C. ft. at which timber from the various forests will be carted.

5. The acceptance of any tender will rest with the Conservator of Forests in Mysore, who does not bind himself to accept the lowest or any tender or to assign any reason for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful tenderer is required to execute a bond specifying the terms given below on a stamped paper in default of which the tender will be considered cancelled and the earnest money will be forfeited and the tenderer will also be made liable for any other damages which the department suffer.

Terms.

- (d) In particular cases, under the written orders of the Range Officer, the contractor is bound to cart such particular kind of log as he may be called upon.
- (e) The contractor is responsible for the safety of the logs given to his charge and should take them to the depot noted in the passport within the time allotted in the pass.
- (f) Logs which may have been dropped *en route* by accident should be delivered at the depot at the latest, with the next consignment, which the contractor takes into the depot.
- (g) The contractor should obtain receipts from the depot officers for the logs delivered there.
- (h) The contractor should agree to receive payment at the close of each month on bills tendered by him supported by the depot receipts.
- (i) The contractor should bind himself responsible for all acts done by him regarding the kindling of fire, etc., in the depot yard or in the State Forest through which carts may pass. He should also agree to stop his carts only at such places as may have been fixed upon by the department within the boundaries of the State Forest.
- (j) For any breach of the contract terms, it shall be open to the District Forest Officer, to cancel the contract or forfeit all or any portion of the deposit or money due to the contractor.
- (k) From all orders of the District Forest Officer, appeal will lie to the Conservator of Forests, whose decision will be final.
- (l) Felling and preparation of timber should be restricted to the following conditions.—
 1. Only marked trees in the coupe must be felled in consecutive order and the logs must be properly dressed.
 2. Trees must be cut at not more than a foot from the ground.
 3. Felling must be directed so as not injure the surrounding valuable growth.
 4. All the utilisable portion of the tree must be made use of.
 5. The buttress of a log must be completely removed.
 6. In the case of beetle, the log must be round and the ends must sawn.
 7. The butt ends of all the logs must be cut properly.
 8. Fellings should proceed in the order in which the trees are marked.

Dated 21st September 1917.

Notice is hereby given that sealed tenders will be received at the office of the Executive Engineer, Sanitary Division, up to 13th October 1917, for constructing storm water drains in the Shimoga Town.

An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of December 1918.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office, at No. 4, Crescent Road, Bangalore, between the hours of 11 A.M. and 5 P.M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 500, five hundred in cash or Government Promissory Notes, as earnest money, and be superscribed "Tender for constructing storm water drains in Shimoga Town," in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Chief Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which his tender will be considered cancelled and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

Dated 21st September 1917.

Notice is hereby given that sealed tenders will be received at the office of the Executive Engineer, Sanitary Division, up to 13th October 1917, for opening cross roads in the Shimoga Town. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of March 1918.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's office at No. 4 Crescent road, Bangalore, between the hours of 11 A.M. and 5 P.M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 100 rupees (one hundred) in cash or Government Promissory Notes, as earnest money, and be superscribed "Tender for opening out cross roads in the Shimoga Town," in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Chief Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.
